The points for orders are:—

10) (1) Whether the proposed acquisition may be treated as an urgent matter & proceedings taken under Sec 17 of the L.A Regn.

This may perhaps be done, as the possession of the land has already been obtained from the leaders of the Hugli Communes after taking a Muchalika from them and with the approval of the Murari Court

Municipal Chairman Hugli authorised.

(ii) 11) Whether the Hugli Court should be authorised to take over for the acquisition according to the arrangement sanctioned in G.O No L 525-S Dy 22-7-26, or whether the Asst Court, Dadhallapur Sub-Div, should be authorised as proposed by the Dy Court for reasons mentioned in para 2 & 3 of his letter If the latter is agreed, the case will be a departure from the arrangement sanctioned in the G O of 22-7-26.

12 For the same or similar reasons the Dy Court suggested in July last that the acquisition work in the Hugli Municipality entrusted to the S-D O Baruipore instead of to the Hugli Court But the Govt ordered that the present arrangement might continue

19 APR 1933
No. L.S.G.

SIR,

Subject —

In forwarding herewith copy of Municipal Commissioner's lett No. 3584 dated 28-3-1933, together with the preliminary notifica-tions under section 4(1) as well as declaration statements in duplicate both in English and Kannada for the acquisition of land S.No.3 Sampigehalli village, Kasba Hobli, Bangalore taluk, required for the construction of the Municipal Office building at Bangalore, I have the honour to state as follows:--

Possession of the site selected for the Municipal office building had to be made over to the Municipal Commissioner, pendi formal acquisition proceedings, in view of the laying of the foundation stone of the building by His Highness the Maharaja on 15-3-1933. This was done after obtaining a mutchalika from the leaders of the Ihiglar community to whom the temple belongs and after obtaining the approval of the Muzrai Commissioner. A copy of the mutchalika dated 26-2-1933 obtained from the leaders of the President and the Community and which is signed by the Municipal Commissioner is enclosed.

The value of the land proposed to be acquired is estimated by the Municipal Commissioner to be Rs.6000/-. The Municipal Commissioner had valued the land at even a lower figure in the first instance. The land has been undervalued as the claim put forward for a portion of the same land taken up by the Municipal for the formation of the Sri Narasimharaja square some years back, is at Rs.4/- per Sq.Yd. The site sold by Government in the Jail compound to the District Board for the construction of the

ofthe District Board Office building is ascertained to be at about Rs.4/- per Sq.Yd. This of course includes the price of the compound wall also. The site proposed to be acquired for the Municipal Office building is worth no less, having regard to its situation. The value of the land may be fairly be estimated at an average rate of not less than Rs.2/- per Sq.Yd. The value at this rate for the whole extent will be about Rs.15400/- excluding the statutory allowance. But deducting the value of the land to be left unbuilt, the valuation of the remaining extent is estimated to be about Rs.10000/-.

As there has been a great disparity in the valuation made by the Municipal Commissioner and the Revenue Department, I request that the Assistant Commissioner in charge of the Dodballapur Sub Division may be authorised to take order for the acquisition of the said lands and sanction of Government obtained for the acquisition.

The cost of acquisition will be met out of Rs.78500/- provided for in the current year's budget of the Municipality. The plans in duplicate together with copy of Municipal Council's resolution dated 4-3-1933 approving the proposed acquisition are enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

[illegible]
DEPUTY COMMISSIONER,

Letter No.1.3584 dated 25/28th March 1933, from the Municipal Commissioner, Bangalore City, to the Deputy Commissioner, Bangalore District.

In continuation of the correspondence ending with my D.O.No.425 of 1932-33 dated the 10th March 1933 regarding the acquisition of the land (belonging to Dharmaraya temple) near the Cenotaph for the construction of the New Municipal Offices, I have the honour to forward herewith preliminary notifications in duplicate in English and Kannada under Section 4(1) as well as declaration statements in duplicate in English and Kannada necessary under sections 6 and 7 of the Land Acquisition Regulation in respect of original survey No.3 Sampigehalli village, Kasaba Hobli, Bangalore taluk, Bangalore, for kindly arranging for publication in the next issue of the Mysore Gazette and for obtaining sanction of Government to the acquisition and to take immediate possession of the property under Section 17 of the Land Acquisition Regulation in view of the urgent nature of the case.

The cost of acquisition of the property excluding statutory allowance at 15 per cent is estimated to be Rs.6000/- as the whole property of about two acres in extent is valued at Rs.8000/- and nearly 3/4ths of an acre out of it will be left unbuilt upon for being used for the Karaga every year, and will be met out of Rs.78500/- provided in the current year's budget of the City Municipality under 'C' City Improvement Works.

A copy of the resolution of the Municipal Council dated 4th March 1933 approving the proposed acquisition together with the necessary plans in duplicate is herewith forwarded for reference.
